Looking Back at September

September 20: Welcome Back Sunday Fall Potluck and Farewell to Max

Immanuel Anglican Church joyfully celebrated Welcome Back Sunday Fall Potluck, marking the beginning of a new school year and the continuation of Sunday School ministry. During the service, we gathered as a church family to celebrate our children and youth. It was a beautiful opportunity to pray for God's guidance, wisdom, and blessings throughout the rest of the year.

We also took time to celebrate and say farewell to **Max Pekar**. Our church family wished Max well as he moves forward with his education and begins this next chapter of his journey. We are grateful for the time we have shared with him

and pray that God will continue to guide, strengthen, and bless him wherever his path leads.

It was a joyful and meaningful celebration filled with fellowship, gratitude, and hope for the year ahead. Welcome Back Sunday was truly a wonderful event celebrated in God's name, and we give thanks for His blessings upon our church family.

September 25: Tweens Night

Immanuel hosted a wonderful Tweens Night for students in grades 5–8. It was an evening filled with fun, fellowship, service, and time spent growing closer to Jesus.

As part of their service project, the tweens worked together to bake delicious muffins for the TLC Pantry, helping provide food for people in our community who are in need. It was a meaningful opportunity for the students to put their faith into action by serving others with kindness and generosity.

Along with the service project, the evening included plenty of fun, friendship, and devotion time focused on Jesus. It was a beautiful reminder that even small acts of service can make a big difference when we do them with loving hearts.

We acknowledge that we are on Treaty 4 territory, the original and traditional lands of the Nehiwayak (Cree), Saulteaux, Assiniboine and Metis Nations. We respect and honor the Treaties that were made on all territories; we acknowledge the harms and mistakes of the past; we are committed to moving forward in partnership with Indigenous Nations in the spirit of reconciliation and collaboration.

September 27: Indigenous Service

Immanuel Anglican Church held Indigenous Service with the theme "Every Child Matters." The service was led by Rev. Alexander Campbell and gave our church family an opportunity to gather in prayer, reflection, and remembrance. Following the service, everyone gathered for a warm meal of stew and dessert, sharing fellowship and conversation as a church community.

September 30: Children's Orange Shirt Day: Remembering, Learning and Coming Together

During VBS Day Off, children came together for a special Children's Orange Shirt Day event filled with learning, remembrance, fun, and community. The day gave the kids an opportunity to learn more about Indigenous culture and history while taking time to remember the children who never returned home from residential schools.

Wearing orange shirts, the children learned about the meaning behind Orange Shirt Day and why it is important to remember the children and families affected by residential schools. Through age-appropriate activities and conversations, they were encouraged to listen, learn, and think about the importance of kindness, respect, and inclusion. The day was also filled with opportunities for the children to have fun together. They participated in games, hands-on activities, and group activities that helped create a welcoming environment where

everyone could learn and take part. These activities gave the children a chance to build friendships while exploring aspects of Indigenous culture and traditions.

One of the most important parts of the day was creating space for remembrance. The children learned that Orange Shirt Day is about honouring the experiences of residential school survivors, remembering the children who did not make it home, and recognizing the importance of ensuring that every child is treated with dignity, care, and respect.

Children's Orange Shirt Day during VBS Day Off was a meaningful opportunity to bring learning and community together. Through games, activities, stories, and reflection, the children were able to learn about an important part of Canadian history while developing a greater understanding of the importance of reconciliation. It was a day of remembering, learning, and coming together — reminding us that every child matters.
