

The Greenwise Gazette

Tending to Creation at Immanuel Anglican Church, Regina

Bunnies in My Garden?

This bunny is sure cute to look at, but NOT when they eat our plants! You can discourage rabbits from getting into your garden by planting things that they don't like around the edges of your garden. Vegetables include Tomatoes, Garlic, and Onions. There is a long list of flowers, including marigolds and alyssum. For additional options, click on this link: [Plants that Repel Rabbits](#)

SARCAN – Drop and Go for Immanuel! **SARCAN** RECYCLING
A DIVISION OF SARC

The code is our phone number **3065864420**
To make it even easier for you, Sarcan has extended hours for the Drop and Go at 2 locations. The Drop and Go at **6175 Rochdale** and **2636 Victoria Avenue East** are now open on **Thursday and Friday until 9pm, and Saturday until 6 pm.** *Proceeds from Sarcan will help fund our environmental projects like the native/pollinator garden, and community garden.*

Recycling Corner

Eye Glasses: Do you have some old glasses that you no longer need? Bring them to Church and place them in the box in the narthex. The Canadian Lions have an amazing program to get them to needy people all over the world. Their work is centered in Calgary, where they work with the Calgary

Correctional Centre. Volunteer offenders receive, sort, sanitize, repair, identify the prescription, and then place into shipping boxes according to type. Here is a link to their website if you would like more information: <https://clerc.ca/>

Children's Garden

The Children's Garden is just about ready to go! On April 2, a group of people got together and built it, and then on April 9th, it was filled with topsoil. The program will start on May 24th for preschoolers, and May 25th for the after-school program. See our [POSTER](#) for more information and how to sign up.

This program has been made possible with a grant

We acknowledge that we are on Treaty 4 territory, the original and traditional lands of the Nehiwayak (Cree), Saulteaux, Assiniboine and Metis Nations. We respect and honor the Treaties that were made on all territories; we acknowledge the harms and mistakes of the past; we are committed to moving forward in partnership with Indigenous Nations in the spirit of reconciliation and collaboration.

from the Anglican Foundation of Canada in their **Say Yes! To Kids** initiative.

RainBarrel.ca Truckload Sale

The Regina Queen City Kinette club consists of a dynamic group of women age 19 and up who have a great deal of fun with projects and service work in the Regina area. Our Kin motto is "Serving The Community's Greatest Need"

Immanuel's Native/Pollinator Garden

Here are the plants that we plan to fill the first section of our pollinator garden with:

- Sunflowers (tall ones), tall coneflower,
- Asters and Giant Hissop
- Green needle grass
- Galardia, stiff Goldenrod

- Prairie coneflower (seeds)
- Long fruited anemone
- Heart leaf alexander
- Violets (seeds) Canada violet/ early blues

Note that we are planning to plant the garden on Saturday, June 18th starting around 9:30 in the morning.

Spring Garden Cleanup

Now that spring is here, we are all itching to get out to the garden and clean things up.

Leaving your garden cleanup until the spring provides habitat for many of the beneficial insects and other creatures living in it. Ideally, you should wait until the daytime temperatures are consistently above 10 degrees C for at least a week. Many beneficial insects such as ladybugs, hunker down for the winter in the garden. Check this website for more details:
