

*Let your light shine!*

## Day Camp

at Immanuel Anglican Church

July 12 – 16, 2021 9 a.m. to noon

The feedback from both the participants and parents about our Vacation Bible School / Day Camp tells us that it was a great SUCCESS!

We had 16 participants, from age 5 to age 10. Our days began with the Grace, and the lesson centred on one of the 5 bible verses about the light that God brings to us. We were honoured to have Rev. Alexander Campbell, Jennifer Jacobs, and Fr. Michael Bruce leading our lesson time.

Following the lesson, we worked on our memory verse – one word from the verse was on a star, and the stars were hidden throughout the church. After the kids found the stars using their finger lights, they put them in order and practiced.

Then we sang some songs, had a snack, played some games and did some crafting.

This camp would not have been possible without Maegen Pekar as the driving force. She had the passion to do something for our children who have missed out on so much during the pandemic. Maegen put together the theme, lessons, songs and crafts. Jessica Walker and Jenny Williams rounded out the core team. During camp we had terrific helpers with Andrew MacPhail taking a leadership role, and tweens/teens Grace Walker, Max Pekar, Grace Hawkins and Callie Tomilin helping as needed to keep things moving along. And a huge shout-out to Nigel Salway for video and photography!
