Living the Mission Updates During Easter Season Sixth Sunday After Easter

During the Easter season we hear in the Bible readings, stories of the early church as they engage with others in Jesus' name. Living the Mission is a crucial way our Diocese works with congregations and the wider church to equip congregations, enable the saints, and engage the world. Attached is the fifth week of seven updates on different aspects of *Living the Mission* over the past year with testimonials from people and projects that benefited from its support. These are written to link with the readings for each week of the Easter Season and will conclude with the Day of Pentecost.

If you have any questions or would like me to speak about Living the Mission in your parish (including by Zoom), contact me at stewardship@sasktel.net or phone me at 306-591-5924.

Peace,
Ven. Cheryl Toth
Stewardship Officer

A light for every birth!

A light for every birth is PWRDF's newest project. For most parents-to-be, having light and electricity during their child's birth is not a second thought, but for many in rural Mozambique giving birth in the dark is a reality. PWRDF is building on its previous work done in 2016 by installing 50 more solar suitcases in rural medical clinics. A solar suitcase is a wall-mounted unit that opens like a suitcase and includes phone charging ports, a portable headlamp and a fetal Doppler to monitor baby's heartbeat that is connected to a roof mounted solar panel. Having light before, during and after the birth can greatly reduce the danger to new moms and their babies and allow medical staff to quickly identify and treat any labour problems.

For more information and make donations to this worthy cause please check the PWRDF's website: <https://pwrdf.org/>

Let's help PWRDF provide a light for every birth. Give light, Give solar!
